

## POLICE DEPARTMENT CHANGES.

### Announcement of New Members and Boundaries of Districts and Precincts.

The following order was issued by Supt. McCaughy yesterday and went into effect at once:

The following changes are made in the numbers and boundaries of the districts and precincts belonging to the Chicago Police Department—viz.:

First Division—That portion of the South Division of Chicago lying north of the center of Van Buren street will constitute the First District and First Precinct; that portion of the South Division of Chicago lying between the center of Van Buren street and center of Air Line railroad track between Fifteenth and Sixteenth streets will constitute the Second Precinct of the Second District. The territory extending from the center of the Air Line railroad track south to the center of Thirty-first street, between the center of State street and Halsted street, will constitute the Third Precinct of the Second District. The territory extending from the center of the Air Line railroad to the center of Thirty-first street, lying east of the center of State street, will constitute the Fourth Precinct of the Second District. The territory extending from the center of Thirty-first street to the center of Thirty-ninth street, lying east of the center of Clark street, will constitute the Fifth Precinct, Third District. The territory extending south from the center of Thirty-first street from the center of Thirty-ninth street, lying between center of Clark street, west to the South Branch of the Chicago River, will constitute the Sixth Precinct, Third District. The territory comprised in the present Sixth Precinct shall hereafter be known as the Seventh Precinct, Third District. The remaining districts and precincts constitute the Second, Third, Fourth, and Fifth Divisions, and will be numbered as set forth in the printed card this day furnished to each station in the department.
