

Chicago Police Districts

Chicago is divided into 25 police districts, which are organized into five police areas. Each police district has between 9 and 15 police beats, with a total of 279 throughout the City. It is at the beat level that the Department's strategy of police–community partnership and problem solving is carried out.

Each police district is led by a district commander. In addition to uniformed beat and rapid response officers, each district has teams of plain clothes tactical and gang tactical officers. Each district also has a Neighborhood Relations Office which helps coordinate police-commu-

nity partnership and problem solving at the beat level and provides special services to senior citizens.

Each police area includes detectives and youth investigators who follow up and investigate crimes occurring in their areas.
