NUMBER 05

**THE UNITED NEGRO COLLEGE FUND/U.N.C.F.  
2004 CITY OF CHICAGO CAMPAIGN**

This year **United Negro College Fund ("UNCF")** is celebrating its **60<sup>th</sup> Anniversary** of providing support to all America's youth, achieving excellence through quality higher education. Mayor Richard M. Daley is the honorary Co-Chairman of this event and continues to embrace the College Fund's mission. This year the Chicago Police Department is responsible for this campaign city-wide.

I call upon each member of the Chicago Police Department to support this year's fund raising effort which culminates with the City's participation in the **21<sup>st</sup> Annual U.N.C.F. Walk-Run-Bike-Skate-A-Thon** on **Saturday, September 11, 2004** at Upper Hutchinson Field located at the southwest corner of Columbus Drive and Balbo Avenue. All city and department employees are invited to take part in this event and bring family and friends.

There are many ways that you may support this campaign effort: (1) You may register for and participate in the Walk-Run-Bike-Skate-A-Thon and collect pledges from co-workers, family, friends, and the community; (2) You may encourage other people to participate in the Walk-Run-Bike-Skate-A-Thon as well; (3) You may donate pledges to your unit's designated walker; and (4) You may purchase T-shirts from your unit's pledge coordinator for yourself and others. Each unit commander and unit commanding officer has designated a representative and pledge coordinator to provide this information to all department members.

The Chicago Police Department has shown a magnificent amount of generosity and support in past campaigns. Your philanthropic spirit is essential to ensure this tradition continues in 2004. Thank you in advance for your dedication and hard work in support of such a worthy mission. Education is the key to America's continued growth and prosperity, and it is important that we as a Department invest in the educational development of young men and women.
