

CHICAGO POLICE DEPARTMENT

PAX 501

Garry F. McCarthy, *Superintendent of Police*

VOLUME 14

5 June 2014

NUMBER 2

I wanted to send everyone a brief note regarding Superintendent McCarthy.

As you may have heard, earlier this morning Superintendent McCarthy was admitted to the hospital and underwent a common procedure to address blockage in his arteries. The procedure went well and he will remain in the hospital for several more days while he recuperates.

I visited him this morning and was his usual self, cracking jokes and looking forward to getting back to work for the people of Chicago.

As would always be the case, as First Deputy I'll be overseeing the Department during the Superintendent's absence, though I'm sure he'll be back in no time.

He very much appreciates everyone's well wishes, and we both appreciate everything you do to serve and protect our communities.
