NUMBER 2

Dear Members,

I am pleased to announce today, that we will be promoting a small class of Lieutenants in the coming weeks. In order to keep the lines of internal communication open and with the upcoming Spring break holiday quickly approaching, I wanted to give those members affected ample time to prepare for their upcoming promotion.

Thank you for all the hard work you do every day. Stay safe.

Sincerely,

A handwritten signature in cursive script that reads 'Eddie T. Johnson'.

Superintendent of Police
