## In Memory Of

DETECTIVE WAYNE G. KING, STAR 7413

Members of the Chicago Police Department and the citizens of Chicago are stunned and grieved by the senseless, wanton and hideous killing of yet another Chicago Police Officer by a vicious wanted criminal. The death of Detective Wayne King, assigned to the Office of Municipal Investigations, deprives his family of a devoted husband and loving parent; it also deprives the Department of an outstanding police officer with an impeccable record.

As Superintendent of Police, I urge all members of the Department to join me in paying final tribute to our fallen comrade. Your traditional display of compassion and support will greatly aid his loved ones in diminishing their anguish. All sworn members should attend the St. Jude and funeral services in uniform.

Funeral arrangements are as follows:
