# FIELD OFFICERS

An increasing number of bogus \$100.00 bills are being passed to Chicago area merchants. The offender(s) make a color photocopy of an authentic \$100.00 bill. They then cut the corners off the copy and glue them on to the corners of a \$1.00 bill. The offender(s) then makes a small purchase in a retail store, receiving the change in authentic United States currency. Please apprise any merchants you may come in contact with, of this type of crime. Authority Area 4 Detective Division.
