

ITEM 1: UNIT ASSIGNMENT DESIGNATOR - PRESCRIBED

DESIGN: TOP VIEW

MATERIALS: Laminated thermo-plastic PVC, black in color, gold silk screen ink (background) metallic gold substrate and black printed copy.

CONSTRUCTION: The thermo-plastic material will be laminated to a thickness of .045" with an overall dimension of 2-1/4" x 1". Black copy will be printed on the front only in a suitable, sans-serif, gothic block type face which will closely resemble the engraving on the prescribed metal nameplate to which this designator will be affixed.

The copy will be printed on a gold background. Gold color and metallic gold substrate will be Plastic Graphic Company #304, or approved equal. The printing will be over-laminated with a clear transparent film to minimize wear. Adhesive lamination is not acceptable. All printing must be clear, sharp, properly centered and uniform in style to fit properly on the designator's front exposed field of view.

All edges are to be square and smoothly cut. Corners may be rounded but will not exceed a radii of 1/8". There will be no burrs or sharp edges on the finished product. The designator will have two 5/64" diameter holes drilled 1-5/8" apart positioned approximately 3/16" from the designator's top edge. All measurements are center to center. Individual letter height will be approximately 5/32". Letters are to be spaced approximately 1/16" apart.

All designators will have two lines of type. For districts, the district number and word "District" will be printed on the top line and the district name, i.e., Grand Crossing, etc., will be printed on the bottom line. For bureaus, the word "Services" will be printed on the bottom line only, whereas all other necessary wording will be printed on the top line less the word bureau. For Office of the Superintendent, the words "Office of the" will be printed on the top line, whereas the word "Superintendent" shall be printed on the bottom line. There will be approximately a 3/32" space between the lines of type.

ITEM 1: UNIT ASSIGNMENT DESIGNATOR - PRESCRIBED (Continued)

CONSTRUCTION: It will be incumbent upon the manufacturer/retailer to contact the Chicago Police Department, Research and Development Division, to ascertain whether the district, bureau, office identification and respective numerical unit designations are correct.
